“Real education enhances the dignity of a human being and increases his or her self-respect. If only the real sense of education could be realized by each individual and carried forward in every field of human activity, the world will be so much a better place to live in”. -

- Dr. APJ Abdul Kalam

At the outset, I wish to extend my warm welcome to dear students, parents and well-wishers of the Gokhale Education Society's Dr. T. K. Tope Arts and Commerce Night College, Parel, Mumbai. I am proud to mention here that, Gokhale Education Society is our parent Institution. It is a synonym for excellence in the field of Education. Its glorious journey of 107 years tells the story of the quality of education and dignity of the teaching profession. It is committed to the cause of student empowerment through access to education at all levels particularly in higher education, to have world-class citizenship through relevant courses under formal and informal streams. Our college is following the principles of our parent institution.

Dear Student, today, the role of an educational institution is not only to pursue academic excellence but also to motivate and empower its students to be lifelong learners, critical thinkers, and productive assets of an ever-changing global society.

Student friends, Education is not merely acquirement of facts but also of values which helps us to improve the different facets of mankind. It ensures that we leave the world a far better place than we found it. A pivotal role of education lies in shaping the personality of a student into a healthy mind and happy soul, who is not only equipped with 21st century skills and aptitude required for academic excellence but also face the challenges of life in a balanced and harmonious way. Therefore, the system of Education should work as a catalyst in making each student a balanced human being having his core strengths embedded in the learning experiences emanating from our rich educational background.

I feel very proud to share it, Dr. T. K. Tope Arts and Commerce Night College, Parel,
